

California Regional Water Quality Control Board  
Santa Ana Region

March 2, 2001

Staff Report

ITEM: 5

SUBJECT: Rescission of Waste Discharge Requirements for Specific Facilities, Order  
No. 01-40

DISCUSSION:

Waste discharge requirements for the facilities listed in Attachment "A" of Order No. 01-40 are no longer necessary because the facilities are no longer in operation, discharges from the facilities have been eliminated, or because discharges from the facilities have no significant impact on the quality of waters in the area.

RECOMMENDATION:

Adopt Order No. 01-40, as presented.

In addition to the dischargers listed in Attachment "A", comments were solicited from the following agencies:

State Water Resources Control Board, Office of the Chief Counsel, Ted Cobb

State Water Resources Control Board – James Kassel

State Department of Water Resources - Glendale

State Department of Health Services - San Bernardino, Kalyanpur Baliga

State Department of Health Services - San Diego, Toby Roy

San Bernardino County Department of Environmental Health Services- Pam Bennett

ORDER NO. 01-40

Rescission of Waste Discharge Requirements  
for  
Specific Facilities

The California Regional Water Quality Control Board, Santa Ana Region (hereinafter Board), finds that:

1. The orders listed in Attachment "A" were issued by the Board at various times for the facilities described therein. Attachment "A" is hereby made a part of this order.
2. Waste discharge requirements for the facilities listed in Attachment "A" are no longer necessary because the facilities are no longer in operation, discharges from the facilities have been eliminated, or because the discharges from the facilities have no significant impact on the quality of waters in the area.
3. This action is based on the cessation of discharges of waste, which poses no significant adverse impact on the environment, or on the finding that specific discharges have no significant environmental impacts. As such, this action is exempt from the requirements of the California Environmental Quality Act in accordance with Section 15061 (b) (3), Chapter 3, Title 14 of the California Code of Regulations.
4. The Board has notified the dischargers and interested agencies and persons of its intent to rescind the orders for the facilities listed in Attachment "A", and has provided them with an opportunity to submit written comments and recommendations.
5. The Board, in a public meeting, heard and considered all comments pertaining to the rescission of waste discharge requirements.

IT IS HEREBY ORDERED that the orders listed in Attachment "A" be rescinded.

I, Gerard J. Thibeault, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an order adopted by the California Regional Water Quality Control Board, Santa Ana Region, on March 2, 2001.

**RESCISSION OF WASTE DISCHARGE REQUIREMENTS FOR SPECIFIC FACILITIES, ORDER NO. 01-40**

Ladies and Gentlemen:

Enclosed is a copy of tentative Order No. 01-40, which is a blanket order rescinding waste discharge requirements for specific dischargers. The orders for the dischargers listed in Attachment "A" were adopted by the Board at various times. Rescission of these orders is being considered because the facilities are no longer in operation, discharges from the facilities have been eliminated, or because the discharges from the facilities have no significant impact on the quality of waters in the area.

This order is scheduled for consideration by the Board at the March 2, 2001 meeting. Please provide any comments that you may have as soon as possible.

If you have any questions, please contact Jawed Shami at (909) 782-3288.

Sincerely,

Joanne E. Schneider  
Environmental Program Manager
